**Re: Latest Project Update**

Since the non-mandatory pre-bid meeting held on February 22, 2006 the project has been updated as follows:

1. The letting date has been changed from March 30, 2006 to **April 5, 2006**.
2. The Test Pile Program will not be let as a separate project but will be included with the first bridge construction contract.
3. The bid plan set is now available to be downloaded on the DOTD's website at <http://www.dotd.louisiana.gov/cgi-bin/construction.asp>.
4. The official bid package, proposal and plans will be available Monday, March 6, 2006 by contacting DOTD @ 225-379-1111.

If you need any further information, please contact Arthur D'Andrea, Project Manager, @ 225-379-1319.
